

ACNW Contracting Process – FY20

Given the ACNW Board of Directors' decision to renew the school's contract, ACNW staff will work with the school board and leadership to establish a new contract. **This contract must be fully executed no later than June 30, 2020.**

Elements of the Contract

The ACNW contract has two sections:

1. *Contract Template* – This is template language and terms that establish the relationship between authorizer and school. ACNW urges the school to have its attorney review and ask any clarifying questions. Terms in this template, however, are not negotiable.
2. *Exhibits* – Additional information that is required as part of the contract. The school will provide information for many of the exhibits, and academic and school improvement goals are negotiated between the school and ACNW.

Tasks and Timeline

The charter school board must approve the entire contract (including exhibits) no later than its June 2020 meeting so that the contract can be fully executed no later than June 30, 2020. The following tasks and timeline will ensure that this target is met.

1. ACNW Charter School Division (CSD) staff will present to the school board and leadership at a board meeting following the ACNW renewal decision.
2. ACNW CSD staff will follow up with the school board's designated individual (by phone or in person) to review and refine academic goals that were submitted as part of the renewal application. ACNW strongly encourages the school to engage teaching staff in refining the goals which must be reviewed and approved by the school's board.
3. ACNW will provide any additional feedback as necessary until the goals reach a final form acceptable to ACNW and the school.
4. The school must submit final versions of the academic goals by **Monday, May 11, 2020** to ACNW.
5. Non-goal exhibits are also due to ACNW by **Monday, May 11, 2019**.
6. ACNW will review and provide prompt feedback to the school on goals and exhibits along with any guidance to help finalize all documents by June 1.
7. ACNW suggests the board receive and review the finalized goals and proposed contract at least ten days prior to its June board meeting to allow time for additional questions and feedback if necessary. ***Any changes must be submitted to ACNW for approval prior to approval by the school board.***
8. The school board will approve the goals and entire contract at its June board meeting.
9. This contract will be fully executed no later than June 30, 2020.

Contracting and School Goals

All goals at your school should be aligned to your contractual goals. These are the most important goals at your school; the school is held accountable to performance on these goals, and they cannot be changed without approval from both ACNW and the school board.
